Alley Theatre presents R-rated hypnotist

On Saturday, Lorna Brunelle of The Alley Theatre and Bob Mello of Laughs on Us Entertainment will present master stage hypnotist Joe DeVito. This R-rated performer has been featured in Boston Magazine, The Boston Globe and The Boston Herald, as well as every major radio station in the New England area, and several nationally. DeVito has entertained audiences in 35 states, and hypnotized more than 500,000 people, from high school grads, to corporate managers and national celebrities. According to presenters, "This show is the one your mother warned you not to see, and the one your father told you not to miss. Joe's show is often outrageous, sometimes naughty (never nasty), always in good fun, but not to be forgotten."

7:30 p.m. Saturday (cash bar opens at 7), 133 Center St., Middleboro. Pizza and bar munchies will be available. Limited tickets, \$15, available by calling (508) 946-1071.
